## L'ARTISTE

Julie Aimée DEBES est une artiste autodidacte originaire de Lorraine. Initiée dès son plus jeune âge, elle a découvert et travaillé son style adolescente, étudiante en Poitou-Charentes, puis travaillant à Paris, Londres, Espagne, Toulouse, Région Paca. C'est de retour en Midi-Pyrénées qu'elle dévoile enfin ses productions.

"Je crée en permanence. C'est plus fort que moi. Souvent exaltée de nouvelles rencontres et de nouveaux lieux, je travaille au milieu de la foule, seule ou en petit comité. Les ambiances et les conversations m'inspirent. Par jeu de décentration, je tente d'allier la spontanéité à la maîtrise du trait. Pour donner vie à des personnages singuliers."

"Lecture libre, double sens, mises en abyme, les œuvres font réagir : C'est le début d'un échange."

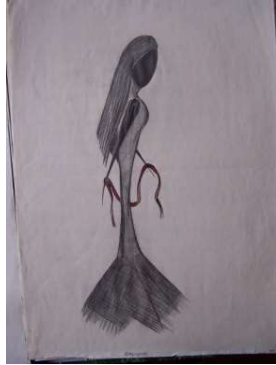

## STYLE ACTUEL

"Du Figuratif Moderne et Graphique, alliant Symbolisme et Art Déco. On y trouve des lignes épurées, visages et états d'âme. La spontanéité, la liberté des formes laissent à chacun la possibilité de s'approprier l'œuvre."
